ABOUT KEDARNATH

Among the glorious mountain peaks that are covered with nothing but snowstorm, lies one of the holiest pilgrim sites of northern India - **"Kedarnath"**.

Famous for the ancient shrine devoted to **Lord Shiva**, it tenders an unflustered ambience with its colorful rhododendron woods, snow covered mountains and splendid sights of nature. This sacred city is visited by thousands of tourists from all over to seek the blessing of the lord and scout the undulating scenery of this region at an elevation of **11,755 ft above sea level**.

Almost all the appeals nestled in higher altitude render every bystander a fascinating and enchanting feeling. An **amalgamation of devoteness and adventure** is what makes it peerless and unique.
